SECTION 3 HAZARDOUS IDENTIFICATION				
Physical Hazards:	This material has no usual fire or explosion hazards but will burn if NF		PA	
	involved in a fire.	Н	1	
	Carbon Black is reclassified as a group 2B by IARC, but inhalation test	F	1	
Human Health Effects:	using a typical toner showed no association between toner exposure and	R	0	
	animal tumors.	PP	Έ	
Inhalation:	Minimum irritation to the respiratory tract may occur as with exposure to			
	any non-toxic dust.			
Skin:	Powder may cause drying of the skin with repeated or prolonged	Ī		
	contact.	]		
Ingestion:	No adverse effects expected			

SECTION 4 FIRST AID MEASURES			
Inhalation:	Remove to fresh air. If effects occur, consult medical personnel.		
Eye contact:	Flush eyes with water to remove dust.		
Skin contact:	Wash exposed skin with water & soap.		
Ingestion:	Symptomatic treatment is recommended.		

High dust concentrations may cause irritation.

SECTION 5 FIRE FIGHTING MEA	SURES		
Flash point:	N.A.		
Lower Explosive Limit:	N.A.		
Upper Explosive Limit:	N.A.		
Extinguishing Media:	Water fog, foam, CO <sub>2</sub> , dry chemical.		
Protective Equipment:	Wear self-contained breathing apparatus and full protective gear.		
Personal Precautions:	Wear appropriate respiratory protection.		
Spill Cleanup Measures:	Sweep up or vacuum spilled toner and carefully transfer into a sealed container. Sweep slowly to minimize generation of dust during cleanup. If a vacuum is used, the motor should be rated as dust tight. Residue can be removed with soap & water.		
Environmental Precautions:	Waste material may be dumped or incinerated under conditions, which meet all nation and local laws and regulations.		
SECTION 6 ACCIDENTAL RELEA			
Personal Precautions:	Wear appropriate respiratory protection.		
Spill Cleanup Measures:	Sweep up or vacuum up spilled toner and carefully transfer into a sealed container. Sweep slowly to minimize generation of dust during cleanup.  If a vacuum is used, the motor should be rated as dust tight. Residue can be removed with soap and water.		
Environmental Precautions:	Waste material may be dumped or incinerated under conditions, which		
	meet all nation and local laws and regulations.		
SECTION 7 HANDLING AND STO Handling and Storage:	RAGE  Avoid creating dust. Clean up all spills promptly. Provide general ventilation. Prevent exposure to high temperatures, flames and spark-producing equipment. Store in a cool place.
